Meet our team of experts and students like you to answer your questions and help you start reaching your dreams!

Established in 1967, Conestoga is a leader in polytechnic education and one of Ontario's fastest-growing public colleges. Today, we have more than 18,500 full-time students studying, learning and evolving at our nine campuses and training centres, plus 30,000 continuing education registrations in over 200 programs. Our approach to learning is unique: small class sizes and hands-on, project-based learning.
