

Marymount High School

September 29, 2020

Greetings all,

The 2019-2020 school year has passed. Let me hope that in spite of all the challenges, you have managed to stand strong and remain focus. Thanks for your support. The support of staff, parents, students, Ministry, and all stakeholders has kept us together. The road ahead is not any smoother as we continue to wrestle with COVID 19, the invisible enemy which seems to show up anywhere. I am confident, however that the Sovereign God whom we serve will continue to hover over us and keep us safe.

School year 2020-2021

As you must have heard the Ministry of Education has instructed school administrators to maintain school virtually—no face to face. Everything must be done online. Orientation therefore will be online just as we did with grade PTA meetings on our Zoom platform. So, for the week **October 5—9, 2020** the following will obtain.

Date	Time	Grade
Monday, October 5	9:00am—11:00am	7
	11:30am—1:00pm	8
Tuesday, October 6	9:00am—11:00am	9
	11:30am—1:00pm	10
Wednesday, October 7	9:00am—11:00am	11
	11:30am—1:00pm	13

**Zoom meeting details will be published by this [Friday, October 2, 2020](#)
You will also be advised about the class you belong during the meeting**

- For grade 12—Pathways 1 and 2 this will be dealt with next week after students have settled their CSEC passes and secured the necessary documents.
- These Orientation/Registration meetings will be led by the Grade Coordinators. The Guidance Counsellors will also be in attendance to explain the psychosocial assistance.
- At these meetings you will be told about your online classes, your timetable and dress code, as well as other pertinent pieces of information. Please understand that our major means of communication is our website. Please go on it every day.

The journey continues to be rough, but if we stay together we will make it.

Stay safe,

Lorna Bailey (Mrs.)
(Principal)
