

STUDY @ THE MICO

Scholarship Bulletin

MSTVET SCHOLARSHIP

The Mico University College invites prospective students to apply for the following MSTVET Scholarships, offered by the **Ministry of Education, Youth and Information**. The following offerings are all tenable for **Bachelor of Education** degrees at **The Mico University College**.

SPECIALIZATION	NUMBER OF AWARDS
Geography and Environmental Studies	15
Industrial Education	10
Mathematics Education	50
Science Education (Chemistry & Physics)	50
Special Education	10
Visual Arts Education	15

JAMVAT

Funding is also available through **The Jamaica Values and Attitudes (JAMVAT) Programme**. Successful applicants must serve 200 hours of community service in order to receive tuition funding equivalent to **30%** of their tuition fees, up to a maximum of **\$350,000.00 per annum**.

GRANTS

Students may also apply for grants under the **Tertiary Students' Assistance Programme** to help fund their tuition. Students may benefit from grant awards of up to **\$299,999.00**.

APPLICATION PROCESS

In an effort to improve the application, shortlisting and awards processes, the **Ministry of Education, Youth and Information (MoEYI)** has developed an online portal through which **ALL applicants for scholarships, grants and JAMVAT will be required to make their submissions**. The portal is scheduled to open on **April 5, 2021**, the link for which will be provided on the MoEYI's website, moey.gov.jm, before the launch date.

Hard copies and email submissions will no longer be accepted. All documents will only be accepted through the portal.

ALL APPLICATIONS MUST BE RECEIVED BY JUNE 30, 2021
