Re: Parent - Teacher Consultation Sessions

Dear parents/ guardians,

In keeping with our commitment and efforts to improve on communication between ourselves and you, we use this medium to inform you of the upcoming Parent Teacher Consultation Sessions. The sessions will be on Thursday, November 4 and Friday, November 5, 2021. Each subject teacher will attach the Parent Teacher Consultation Schedule in the classrooms.

Kindly follow these instructions to allow for a smooth session:

1. Check the schedule in your child's/ ward's classes.
2. Indicate an appropriate date and time and communicate this to the subject teacher.
3. The teacher will confirm your time.
5. Attend your sessions with your child on time.
6. Discuss any concerns with the teachers and try to arrive at suitable solutions.

Additionally, we are making preparations to engage Grades 11-13 students in order to complete SBAs and registration for external examinations. We will notify you of these dates.

We look forward to meeting with you as we continue this partnership.

R. Lawrence
